

HORNSEA & DISTRICT u3a

NON-MEMBER / VISITOR POLICY

Outlined below is the Hornsea & District u3a policy in terms of non-members or visitors attending either an Interest Group or the general monthly meeting.

A non-member or visitor is defined as an individual who is not a member of any UK u3a.

INTEREST GROUPS

A non-member/visitor may attend 1 session that is being run by an Interest Group to see if they would be interested in joining that Interest Group on a longer term basis. In order to join that Group as a full attendee, the non-member/visitor would need to join Hornsea & District u3a.

For practical purposes, there is no limit to the number of *different* Interest Groups that one non-member/visitor may attend; but that individual may only attend the *same* Interest Group once before becoming a member.

N.B. Attendance at a Hornsea & District u3a Interest Group by an Accord member is not covered by this policy. Accord members are members of the UK u3a organisation and are eligible to attend the Hornsea & District u3a Interest Groups within specific situations

GENERAL MEETINGS

A non-member/visitor may attend the monthly group meetings. There is a £3.00 charge for attending (to offset speaker and venue costs) each meeting. This is payable on entrance. If the non-member/visitor decides to join Hornsea & District u3a at that same meeting, the £3.00 is refunded from the annual membership charge.
