

Hornsea and District U3A

Carer Policy

Any member of Hornsea & District U3A who requires the assistance of a Carer in order that they may attend and participate in any meeting or interest group activity is able to do so without the carer having to pay or be a member of the U3A.

An exception to this is In the Case of Theatre Trips and Outings.

The U3A member needing the assistance of a carer is able to have such assistance providing that they make arrangements to pay for their carer's costs.

The Theatre and Outings Organisers will make every effort to highlight to all who wish to attend any excursion which may prove hazardous to those less able and advise the need for a carer. They will also make every effort to obtain reduced carer rates where possible from venues when making initial enquiries. (e.g. Theatre Tickets.)

Insurance Cover

Carers are covered by the Third Age Trust Liability Insurance provided that they are recorded as such and accompany the member for the whole of the event.

If the Carer is employed in a professional capacity our Insurance does not cover them, they will need to have cover via their employer or liability cover of their own.

Please Note

A Carer is any person, family, friend or professional who undertakes to be responsible for any less-abled Hornsea & District U3A member and need not themselves be a member of the organisation in order to accompany the U3A member.
