

## Help with Tracing Your Ancestors

The Family History Group would like to offer help to anyone who wants to make a start on tracing, or discovering further information about, their ancestors. We would use various resources available to us through our subscriptions to online family history sites. To start with we would try to work backwards along a single line(Surname).

Please complete as much of the following as possible.

(Data Protection: We will only use this information for the purpose stated above and to contact you by the method you indicate below. We will not share your data with anyone else. Any temporary Family Tree we construct will be kept private and shared only between the researcher from our group and yourself)

Your Full Name:

Any other information	

We **may** be able to find information in the following:

The 1939 Register

Birth, Marriage and Death indexes

Census Data 1841, 1851, 1861, 1871, 1881, 1891, 1901, 1911

Please be aware that we are not professional genealogists with the resources of the BBC's "Who Do You Think You Are?", so don't expect too much.
